

Greater Lowell Chamber Celebrates 20 Years of Excellence

Be part of our special 20th Anniversary Membership Tribute Directory, which promises to be a coffee table keep-sake. This year's directory will be filled with all of our member information, information about our region, stories about our chamber, our many involvements and much more. We are also asking for you—our supporters and community members—to submit past photos of chamber events that you've attended, which will be used on a space-available basis. Show your support for the Greater Lowell Chamber of Commerce by taking an ad out in this year's special 20 Year tribute.

New Features Include:

- Distribution to over 70,000 Homes in the Greater Lowell and Merrimack Valley areas
- Digital version of the directory displayed on LowellSun.com all year long as well as on the Greater Lowell Chamber of Commerce's website
- Promotional advertising for the directory inside of The Sun
